Notice of Allowability

1. Claims 1-7 and 9-17 (renumbered as 1-16) are allowed.
2. The following is an examiner's statement of reasons for allowance:

The prior art of record does not disclose or fairly teach a switch comprising a first port capable of receiving a frame, a routing table for determining a port to forward the frame based on an address, a hash function generator for generating an address for the routing table based on a destination field and at least one bit of an originator field of the header of the frame, a processor for maintaining the table and apparatus for receiving the frame and passing the frame to the port determined by the routing table wherein a hash function provided by the hash function generator comprises a first hash sub-function of at least one bit of the destination identification field and having an output, a second hash sub-function of the at least one bit of the originator exchange identifier field and having an output and a concatenation operation of the output of the first sub-function with the output of the second hash sub-function, all of which is recited in independent claims 1, 11 and 14.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
